

We love Christmas. It's the magical time of year and we'd love to share the magic with you at our biggest, most creative, yuletide celebrations ever.

Some past favourites return this year - our hugely popular Christmas Fayre and classic 'Mistletoe and Wine' evenings are joined by some wonderful new additions.

The 'Dickensian Christmas' Celebration Parties will be something special featuring a wonderful production of 'A Christmas Carol' over a 4- course dinner. They carry on through January too!

We have a new 'Festive Stay' package for 2 or 3 nights over Christmas and of course, the festivities will be ongoing in both our restaurants throughout the Christmas season.

We're looking forward to celebrating the season with you.
